Simplifying Supplier Side e-Procurement

A SUITE OF APPLICATIONS AT YOUR FINGERTIPS

Greenwing Technology allows you to connect to any e-Procurement platform. Connect to universities, governments, corporations, hospitals and more with a simple, easy to use interface. Our unified cloud-based solution bundles all features of supplier-side e-Procurement in one place.

ALL YOUR E-PROCUREMENT IN ONE PLACE

Connect to over 120+ different eProcurement platforms in one centralized location. By unifying all your platforms into one, order processing costs can drop by as much as 75%. Order keying errors will be reduced or eliminated and customer satisfaction will skyrocket

“Greenwing Technology raises the bar for providing flexible punchout, order and invoice solutions for Unimarket suppliers who know that rapid deployment is critical for eProcurement customers. In 10 years of working with hundreds of B2B integration teams, I can say that the level of support that Greenwing offers is unmatched. Greenwing Technology’s commitment to service perfectly aligns with the standards of excellence that Unimarket delivers.

“

We were so grateful to find Greenwing who was able to help us make our custom e-commerce site punch out compatible. The support at Greenwing was responsive and patient, sticking with us through our successful launch.

*– Julie Griffey - Amcon
Director, E-commerce*

”

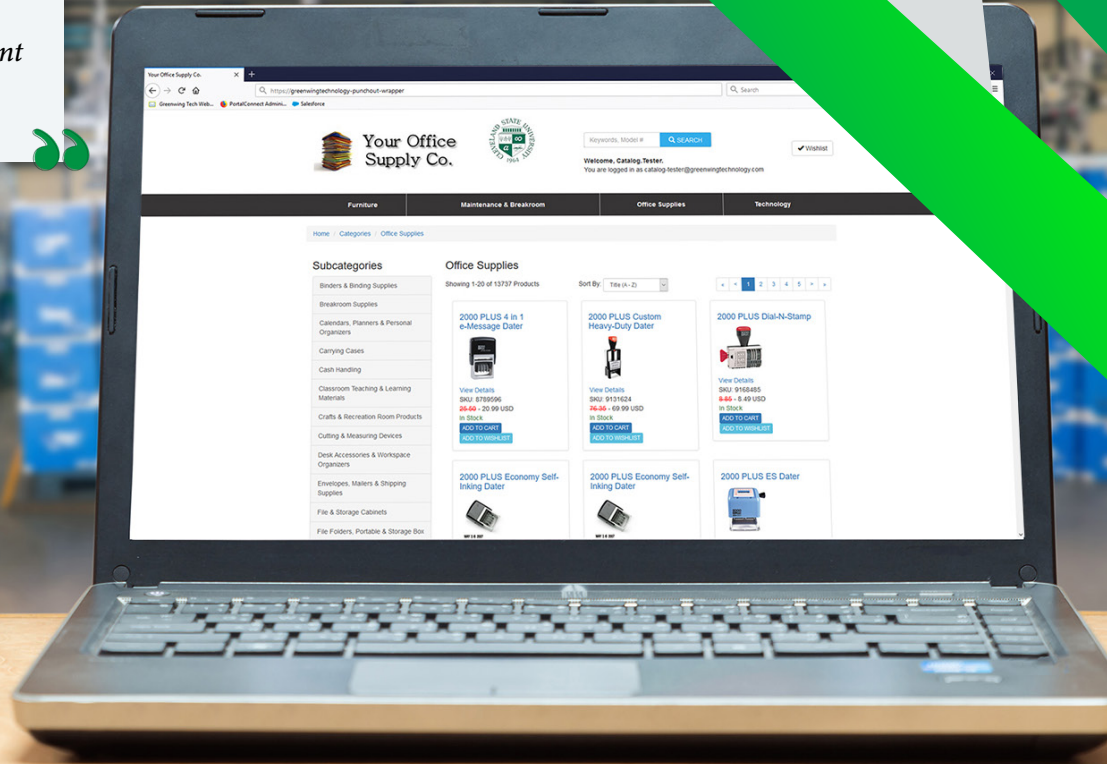

“

After reviewing eight other punchout suppliers, we decided to partner with Greenwing Technology, because they took the time to fully understand our multitude of requirements.
